Evolution des cadres de coopération et des opportunités de collaboration régionale

Therese MUSABE
MCA Programme Director

Mars, 2022, PRCM FORUM, SALLY, PALM BEACH, Mangroves site Event
Existing Frameworks for collaboration

Mangrove Plateform at site level (Saloum Delta)

National Mangrove Plateforme (Guinea Bissau)

Transboundary Mangrove Plateforms (Transboundary mangrove sites)

Regional Mangrove Plateform (West Indian Ocean Region)

Global Mangrove Alliance (Global level)
Marine Science Association in the WIO Region
Tanzania in 1994 as a non-governmental organization.

Dedicated to promoting the educational, scientific and technological development of all aspects of marine sciences throughout the Western Indian Ocean Region.

The aim of the Association is to advance regional co-operation in all aspects of coastal and marine sciences and management in Western Indian Ocean Region.

10 countries: Somalia, Kenya, Tanzania, Mozambique, South Africa, Comoros, Madagascar, Seychelles, Mauritius, Réunion (France)
Western Indian Ocean Mangrove Network

- Idea presented and discussed on 4th October 2011 in Mombasa, Kenya during WIOMSA Sympo

- Statement of declaration drafted and endorsed to establish the Network on 5th October 2021
Together, we would like to do

- Capacity building
- Exchange knowledge and lessons learned from both regions/Information sharing
- Gather data and form a central repository
- Collaborative science and forum for dissemination of research
- Advocacy

Topic for collaboration

- Governance structure: Transboundary management/Plateform
- Blue economy – carbon Project
- Emerging themes - in the case of oil spills from oil exploration
- Management of water at the catchment level – damming can affect water flow
- Industrial pollution and development
- Tourism
Opportunities for collaboration

DECADE ON ECOSYSTEM RESTORATION
IMPLEMENTATION OF CA/AD. MANGROVE PROTOCOL
LANDSCAPE VISION
EXPERTISE SHARING AND CAPACITY DEVELOPMENT IN MANGROVE MANAGEMENT
PRODUCTION OF REGIONAL PUBLICATIONS AND POLICY BRIEFS ON MANGROVE RESEARCH AND MANAGEMENT
MERCI !
THANK YOU!
